COMPANY OVERVIEW

Superior Gold Inc. is a new Canadian gold producer which was listed on the TSX.V on February 23, 2017. The Company was formed in October 2016 as a result of its acquisition of the Plutonic Gold Mine in the world class goldfields of Western Australia. The Plutonic Mine has been in continuous production since 1990 and, having produced more than 5 million ounces of gold, is one of Western Australia’s largest historic gold producers. The Company is targeting production of approximately 75-80,000 ounces of gold in 2017, with the objective of increasing this to 100,000+ ounces in 2018.
