COMPANY OVERVIEW

Superior Gold Inc. is a Canadian based gold producer that owns and operates 100% of the Plutonic Gold operations located in the world class goldfields of Western Australia. The Plutonic Gold operations include the Plutonic underground gold mine, the Hermes open pit projects and an interest in the Bryah Basin joint venture. The Plutonic mine has been in continuous production since 1990 and, having produced more than 5.5 million ounces of gold, is one of Western Australia’s largest historic gold producers.

In 2018, the Company achieved record production of over 90,000 ounces of gold and in 2019 is targeting production of 100,000 ounces of gold for the full year.

The Company is focused on true shareholder returns and operating as a business first and a gold company second.

INVESTMENT HIGHLIGHTS

- Continuous production at Plutonic Gold mine since 1990
- Historical production of >5.5 million ounces (a big system!)
- Demonstrated ability to generate free cash flow → Purchase price of AU$40 million recouped in 15 months
- Substantial investment in infrastructure with replacement value of >$2.5 billion
- Outstanding exploration potential with near mine exploration targets close to infrastructure
- Strong re-valuation opportunity
