

SUPERIOR GOLD INC. ANNOUNCES COMMISSIONING OF GRAVITY CIRCUIT AT PLUTONIC GOLD OPERATIONS

ANTICIPATING FURTHER INCREASE IN RECOVERIES

(In US Dollars unless otherwise stated)

Toronto, Ontario, July 10, 2018 – Superior Gold Inc. (“Superior Gold” or the “Company”) (TSXV: SGI) is pleased to announce that it has completed the construction of its gravity circuit at the mill for its 100% owned Plutonic Gold operations located in Western Australia. Commissioning of the gravity circuit commenced on July 9, 2018.

Chris Bradbrook, President and CEO of Superior Gold stated: “We have steadily increased recoveries since acquiring the Plutonic Gold operations in October 2016 from 76% to an average of up to 90% in the second quarter of 2018. The incorporation of the gravity circuit, which only required a modest capital investment of \$1.7 million, is expected to allow us to increase recoveries even further.”

The Company plans to announce preliminary production results shortly and detailed production results later in July 2018.

Qualified Person

Scientific and technical information in this news release has been reviewed and approved by Pascal Blampain, who is a member of the AusIMM and the Australian Institute of Geoscientists (AIG) and a "qualified person" within the meaning of NI 43-101. Mr. Blampain is an employee of the Company and serves as Chief Geologist.

About Superior Gold

Superior Gold is a Canadian based gold producer that owns 100% of the Plutonic Gold operations located in Western Australia. The Plutonic Gold operations include the Plutonic underground gold mine, which is a producing underground operation with a central mill, the Hermes open pit gold mine and an interest in the Bryah Basin joint venture. Superior Gold is focused on expanding production at the Plutonic Gold operations and building an intermediate gold producer with superior returns for shareholders.

Forward Looking Information

This press release contains "forward-looking information" within the meaning of applicable securities laws that is intended to be covered by the safe harbours created by those laws. "Forward-looking information" includes statements that use forward-looking terminology such as "may", "will", "expect", "anticipate", "believe", "continue", "potential" or the negative thereof or other variations thereof or comparable terminology.

Forward-looking information is not a guarantee of future performance and is based upon a number of estimates and assumptions of management at the date the statements are made. Furthermore, such forward-looking information involves a variety of known and unknown risks, uncertainties and other factors which may cause the actual plans, intentions, activities, results, performance or achievements of the Company to be materially different from any future plans, intentions, activities, results, performance or achievements expressed or implied by such forward-looking information. See "Risk Factors" in the Company's prospectus dated February 15, 2017 filed on SEDAR at www.sedar.com for a discussion of these risks.

The Company cautions that there can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, investors should not place undue reliance on forward-looking information. Except as required by law, the Company does not assume any obligation to release publicly any revisions to forward-looking information contained in this press release to reflect events or circumstances after the date hereof.
